

Welcome!

to the **1st Symposium on Inflammatory and Chronic Kidney Diseases**
hosted by the Ingrid Asp Kidney Research Center at LiU

When?

12 November 2026.

- Registration 8.30 - 9:00.
- Scientific programme ends at 17:00
- Dinner from 18.30 (optional; a separate invitation will be sent later to those who plan to attend the symposium)

Where?

Hotell Ekoxen, Linköping, Sweden.

<https://www.strawberryhotels.com/hotels/sweden/linkoping/quality-hotel-ekoxen/>

Please respond by 5 October to Daniel Appelgren (daniel.appelgren@liu.se) if you plan to attend.

Preliminary Programme (a full programme will be sent out later):

A broad scope including studies on novel therapeutic targets, biomarkers in inflammatory kidney diseases, dialysis research, registry studies, clinical trials and CAR T-cell therapy. Presentations by invited guest speakers (Sarah Moran, Cork University Hospital, Ireland; Vanja Ivkovic, University Hospital Center Zagreb; Elisa Pin, SciLifeLab, KTH, Sweden), and researchers from Linköping University, Karolinska Institutet and Region Östergötland.

We hope to see you!

The Steering committee, Ingrid Asp Kidney Research Center:
Annette Bruchfeld, Daniel Appelgren, Maria Weiner, and Fredrik Uhlin
